Re: Freedom of Information Act (FOIA) Request  
Number 10-RIN-01289-94

Dear Ms. Bergstrom:

This letter is in response to your request of September 30, 1994 where you requested copies of information contained in the site file for the Pasco Sanitary Landfill. A copy of the file, except for copies of recent deliverables submitted to EPA by the Washington Department of Ecology (Ecology) such as the Phase I RI/FS, has been made in response to your request. The recent deliverables not copied are voluminous and can be obtained from Ecology as part of your request to them.

The cost of providing this information to you as a commercial requestor is \$466.79 (\$434.40 for 2,896 pages duplicated at \$.15 per page; \$12.39 for slide copying and \$20.00 for search time). This is to confirm that you have been called regarding charges incurred in your request; assurance of payment was given; and a bill is enclosed.

This concludes the EPA Region 10 response to FOIA Request, FOIA Number 10-RIN-01289-94, dated September 30, 1994.

Sincerely,

*for*

Re: Freedom of Information Act Request  
Pasco Sanitary Landfill

Dear Ms. Warden:

This is a request to review any and all reasonable records and documents under the Freedom of Information Act (FOIA), 5 U.S.C. Section 552, and the regulations promulgated thereunder, 40 C.F.R., Part 2.

We are interested in reviewing information relating to the Pasco Sanitary Landfill located in Franklin County, Washington. Specifically, documents related to Boeing Aircraft Company and Burlington Environmental Services. This request includes files, records, complaints, violations or citations that pertain to investigations and/or tests performed regarding this site by federal, state or local agencies.

We would appreciate obtaining reproductions of these materials, and understand there may be fees incurred as a result of this request. If these fees should exceed \$250, please contact us regarding cost estimates.

Thank you for your assistance.

Very truly yours,

LANE POWELL SPEARS LUBERSKY
